1. Introduction

The integration of *Sports for Development (S4D)* stands as a prominent feature of Sri Pratap College Srinagar, reflecting our commitment to fostering social progress through athletic engagement. Within our institution, we recognize sports and activities promoting physical and mental well-being as essential elements of holistic personality development. Encouraging both faculty and students to actively participate in physical pursuits, we extend our sports infrastructure to the local community, emphasizing inclusivity and shared benefits. Our objective is to cultivate a generation of young individuals who exhibit physical prowess, sportsmanship, and competitive spirit on the field, while instilling values of commitment and accountability. To promote awareness among our students and engage with the local populace, we are drafting a comprehensive Policy Document on Sport for Development (S4D).

2. WHY S4D

- To bring positive behavioural changes, promoting socially committed and responsible youth in the school, in the sports club and in the community.
- To promote youth development and offering positive activities for youth in the community.
- To motivate youth to become part of the ongoing recreational and competitive sports programme.
- To inform the youth about the benefits of being involved in an active lifestyle.
- To deepen the relationships with the community to involve them in caring for the sports infrastructure (Sports Ground)
- To attract sponsors for the youth at the local, national and international level.

3. Major Aims

3.1. YOUTH DEVELOPMENT THROUGH S4D

Sports for Development (S4D) initiatives aim to harness the power of sports to foster holistic youth development. In the context of Srinagar City, the S4D policy of Sri Pratap College provides a vital platform for local residents to utilize the sports ground for organizing various cricket tournaments. These tournaments not only encourage physical activity but also promote teamwork, discipline, and leadership skills among the youth. By engaging in sports, young individuals can develop crucial life skills while fostering a sense of camaraderie and community cohesion. Ultimately, S4D endeavors contribute significantly to the overall well-being and empowerment of youth in Srinagar City, paving the way for their brighter future.

3.2. Scholarships

Our primary objective is to empower local youth, providing them with opportunities to qualify for various awards and incentives outlined in the Government of Jammu and Kashmir's Sports Policy-2022. By aligning our initiatives with the vision of this policy, we aim to ensure that our activities contribute effectively to its overarching goals. Through strategic planning and implementation, we endeavor to facilitate pathways for youth to excel in sports and thereby become eligible for recognition and support as per the provisions of the policy.

Our commitment lies in fostering talent development and participation, fostering a culture of achievement and success in line with the government's vision for sports in the region.

4. Roles and Responsibilities:

4.1. The College:

- The college will give priorities to Sports and shall consider it as an integral part of the college academic programme.
- The college shall make available necessary funds and infrastructure to implement the policy to its fullest.
- The college shall incorporate provisions in the timetable to actively engage students in both competitive and recreational sports activities, ensuring their holistic development.

4.2. The Department of Physical Education & Sports:

- The Department of Physical Education & Sports at the College shall organize, supervise and administrate competitive, recreational and leisure time sports activities.
- The Department of Physical Education & Sports at the College shall organize orientation programme for students and local youth for better understanding of sports facilities.
- The Department of Physical Education & Sports at the College shall organize talent search programme to identify talented sportsmen eligible to join the college at graduate and post graduate levels.
- The Department of Physical Education & Sports at the College shall organize Sports and Fitness Test for all the students joining at graduate and post graduate levels for the respective term. The test will include 10 minutes run, Standing High Jump, Long Jump and tennis ball throw. It will be mandatory for a student to give all three tests on a given day.
- The Department of Physical Education & Sports at the College will also conduct Sports Skill proficiency test for students and local youth aspiring to participate in Inter College and other tournaments.

4.3. The Faculties:

- The teachers should take pride in associating themselves with sports activities and in motivating/promoting students to take part in sports.
- The teachers must make students aware about the sports policy of the college.
- The teachers must encourage students to be involved in the college sports programme.
- The teachers should not deter any student from participating in internal as well as external sports activities authorized by the college management.
- The teachers should assist the Department of Physical Education and sports in promoting, organizing and supervising the college sports programme.
- The teachers must assign "duty leave" to the sportsmen on sports duties authorised by the college.
